

***"The Discovery Room proved to be the ideal setting for a reception held by the Chamber of Commerce to honor former U.S. Senator Bob Dole.***

***Staff at the Kansas Cosmosphere and Space Center provided assistance on everything from A/V needs and parking, to accommodations for our handicapped guests. The Chamber will certainly use the facilities for future events."***

President, Hutchinson Symphony Association  
Hutchinson, Kansas

***"We frequently bring our team to the Cosmosphere for meetings. A quick drive to Hutchinson puts us at a destination with excellent meeting facilities and service but even more, a place that provokes thinking, planning and inspiration. We come away with new ideas, team synergy and refreshed energy."***

***"The Cosmosphere was a great place to host our wedding reception, the staff was excellent to work with and the event couldn't have gone better. For a pilot it is hard to find a better place to have the first dance with your new bride than under the SR-71 Blackbird!***

***I would recommend the Cosmosphere for any event."***
